The 1953 Sayrenade

OUR ALMA MATER

In the Susquehanna Valley,
Land of rippling streams and rills,
Is a busy little city
Nestling midst the Blue Ridge hills;
And 'tis there our Alma Mater,
May her praises never die,
Lifts her stately tow'r toward heaven
Dear beloved, old Sayre High.

For we're all staunch and loyal
And we're each the other's friend;
We will stick by our colors
Until this life shall end,
So while we're together
Let us give a ringing cheer
For the praise of Alma Mater,
For our Sayre High School, so dear.

TABLE OF CONTENTS

PREFACE

It is our pleasure to invite you to accompany us as we make our last imprints on our school life. In our travel down the road toward success, frequently by the trial and error method, we shall often review the activities which we have experienced and recorded here. We shall constantly ask help of those who have passed this way before us, and in time to come we shall take their places in the world.

IN MEMORIAM

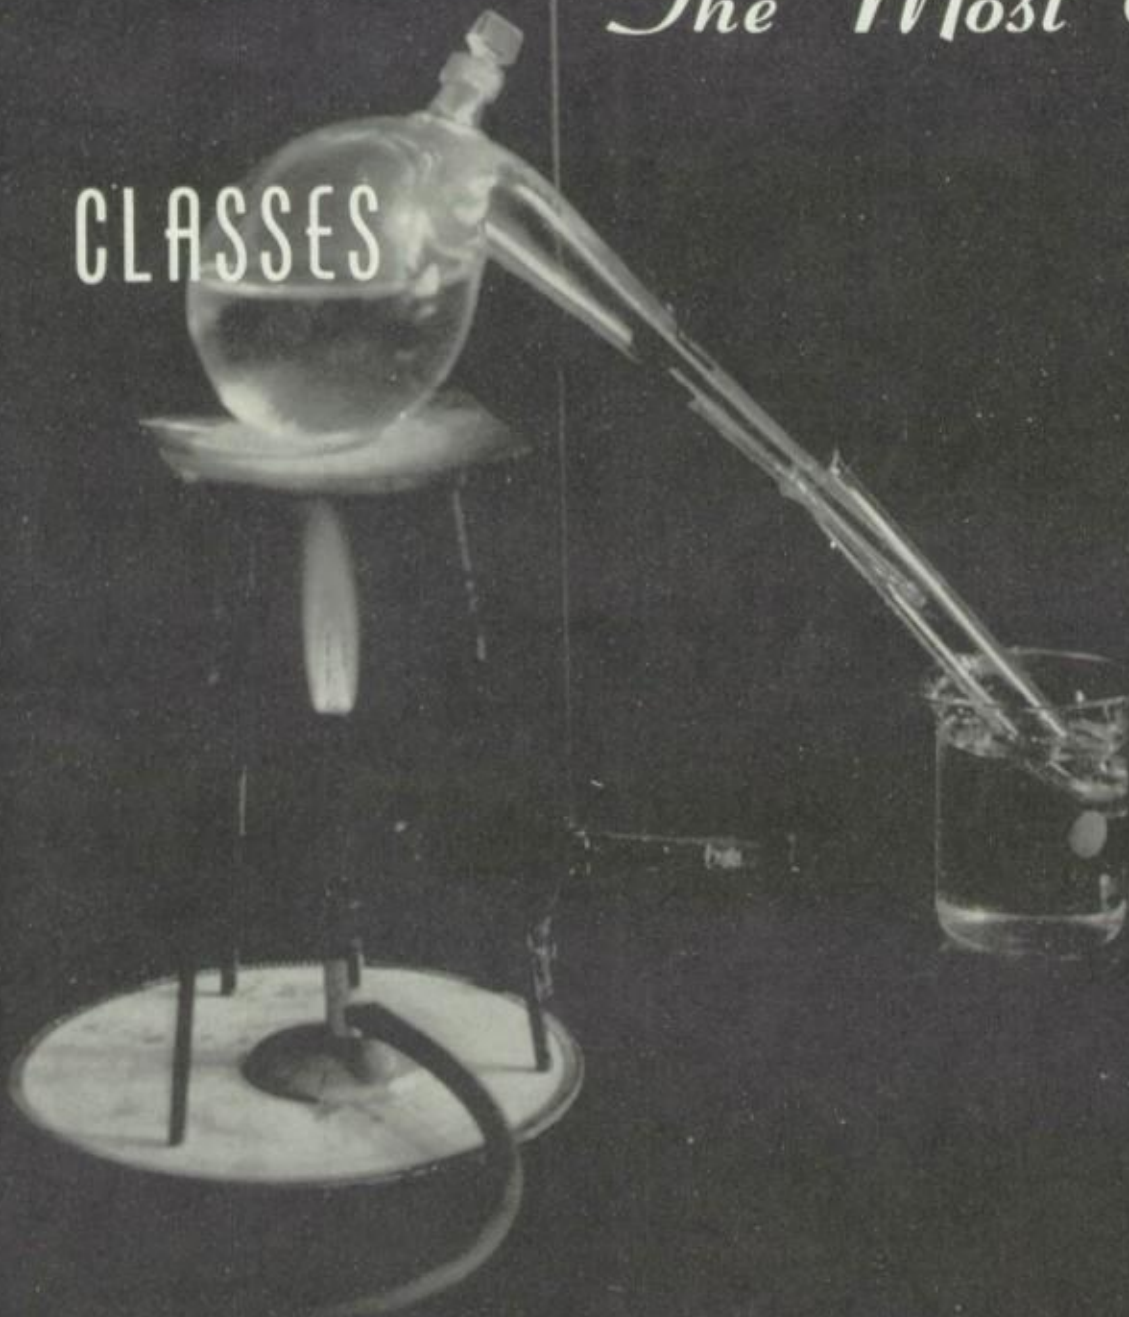

Eugene G. Castiglione
April 3, 1934 - June 2, 1951

Yet Love will dream, and Faith will trust,
(Since He who knows our need is just,)
That somehow, somewhere, meet we must.
Alas for him who never sees
The stars shine through his cypress-trees!
Who, hopeless, lays his dead away,
Nor looks to see the breaking day
Across the mournful marbles play!
Who hath not learned, in hours of faith,
The truth to flesh and sense unknown,
That Life is ever lord of Death,
And Love can never lose its own!

REDSKIN REVUE

The second annual Redskin Revue held on March 14 was a great success. M.C.'d by Charles Adam and James Murphy, the program moved along at a fast rate, presenting a wide variety of entertainment to capacity audiences at both performances.

MAY FESTIVAL

For the first time in the history of Sayre High's activities, a May Festival was held in the football stadium. Highlighting the evening of May 14 was the crowning of Phoebe Dickson as Queen of May by Charles Adam. Focal point of the arrangement was the Queen's Court, centered in front of the grandstand and beautifully decorated with a variety of spring flowers. Attending Miss Dickson in the court were girls from the senior, junior, and sophomore classes. Chosen by the vote of their classmates were Barbara Draper, Joanne Griffith, Alice Palipkonich, Marion Vanderpool, Isabelle Adam, Janet Lehr, Sally Jo Krotzer, and Barbara Taylor. The crown bearer was Arthur Price and the flower girls were Donna Eldred, Kathleen Martini, Patti Rae Donlin, and Bonnie Wilcox--all fourth grade students. Grades one through twelve participated in the Festival, presenting a varied and colorful entertainment of dancing, music, and gymnastics.

ERIK LEIDZEN

Sayre High was signally honored this year in being chosen as host school for the Eastern All State Band. The three-day festival got under way February fifth with 179 band members from 155 eastern Pennsylvania schools converging on Sayre to be entertained in 89 private homes throughout the town. Accompanying the students were eighty music directors who spent their time in group meetings of various sorts.

Mr. Erik Leidzen, noted conductor and composer and a native of Stockholm, Sweden as guest conductor directed the band in a program of music ranging from classical to swing. The high point during the three concerts which played to 2400 persons as well as a radio audience was probably the concluding number, "South Pacific" as arranged by Mr. Leidzen. The band members wore the uniforms of their respective schools, presenting a very colorful picture on the huge stage which had been constructed especially for this occasion.

Of The State Band

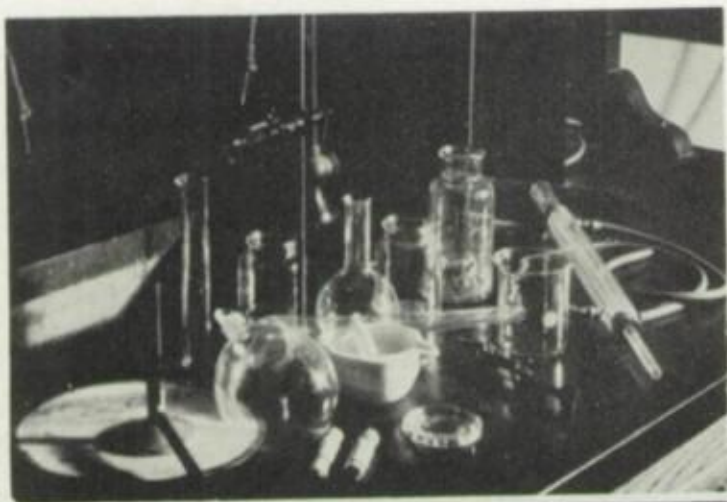

This festival was the first state band meet ever held in a small town, and band members, directors, and officials were profuse in their praise for the hospitality, organization and co-operation which marked this festival as one of the finest ever held. In addition to the three concerts and the broadcast, several visiting band members participated in an informal radio program over WATS. Various souvenirs, a dance after Friday's concert and a banquet Saturday were other features contributing to the success of this 27th Eastern All State Band Festival.

The Student Council is a group of junior and senior high school students whose job it is to enforce the rules of the school. A member is chosen from each homeroom and members at large are chosen from the junior and senior classes. The Council is responsible for many programs carried on throughout the year. For example, it has charge of disciplinary behavior during the lunch period. A new project undertaken this year was the able supervision of the mock presidential election, which carried out the general idea of our own national elections in a highly satisfactory manner. Other activities included a complete locker check and the launching of a clean-up campaign throughout the entire school.

NATIONAL HONOR SOCIETY

Service, scholarship, leadership, and character--these are the qualities that make junior and senior students eligible for the National Honor Society. Members are chosen from the upper ten per cent of their class as probationary members in their junior year and become permanent members in their senior year. A formal initiation held during the second semester was followed by a tea for members, their parents, and the faculty.

The local chapter received its charter May 15, 1945, and currently has 78 graduates, six senior and twelve junior members.

"Act well your part; there all the honor lies"--this is the motto of the National Thespian Society, an honorary dramatic organization, established in 1929.

Sayre's Troupe 1151 was chartered May 15, 1951, for the advancement of standards of excellence in dramatic arts. Membership in this non-secret, non-social organization is determined on the basis of participation, and at the present time only senior high students are eligible.

Beginning in 1951 with twelve charter members, the local troupe now numbers seventeen active members and thirty graduate members.

One of the largest and oldest clubs in school is the Cap and Cue, a dramatic club for juniors and seniors. During the course of the year, these budding thespians present several one-act plays both for the student body and for P.T.A. The aim of the club is to interest students in dramatic arts and the factors which contribute to the production of a play. The 1953 calendar included several social events as well as the annual May Day project. At commencement each year Cap and Cue awards prizes to the boy and girl who in the opinion of the judges have excelled in dramatics. Organized under the sponsorship of Mrs. Wildrick, this club has proved to be very popular among the students.

We Shook the Family Tree

Leave it to Hildegard Dolson to get herself in a terrific jam! Being a wallflower, Hildegard decided that by chance she might get a bid for the big dance if she won the debate on the temperance issue. Her speech was given so dramatically that everyone in town believed her father was the drunkard. Mr. Dolson nearly lost his job when Mr. Shermer, his employer heard about the debate. Mrs. Dolson lent a helping hand by arranging a date for Hildegard with Freddie Shermer, the banker's son. Hildegard was mortified at the thought of going with Freddie because he was the only boy in school who had to wear knickers. She was even more ashamed when her brothers and friends started teasing her about her big date. The whole issue was finally settled and the big surprise came when Freddie appeared at the door for Hildegard in his new suit--with long pants!

For a Successful Performance

"False Colors," a three-act comedy was presented March 21 under the direction of Miss Stocum. The scene is the home of Dean Elbert Meeker of Davenport College for Women. Trudy Meeker, the dean's charming daughter, is attracted to Doug, their boarder and the college instructor of psychology, almost immediately upon his arrival. Doug suddenly announces his engagement to Gloria Gilbert, a young college siren when she threatens to tell everyone that he is a wrestler. Then Mel White, a newspaper reporter and Trudy's friend, uncovers evidence indicating that Doug is the leader of a daring gang of bank thieves using the college as a hideout and has him arrested. When this happens, Willa Davenport, the founder and benefactress of the college withdraws her support and it looks as though the college will have to close its doors. Just prior to his arrest, Doug has been writing a paper on the psycopathic behavior of aborigines, and Sue has been writing a story entitled, "I Shot My Husband in the Middle of Our Honeymoon." When she can't find her story, Sue immediately suspects that Doug has stolen it. After more investigation Mel discovers that Doug had nothing to do with the robberies and he is released. Doug now breaks his engagement to Gloria and gives up wrestling for good. Willa Davenport, upon receiving a letter in which she learns that Doug was awarded a prize for a story entitled "I Shot My Husband in the Middle of Our Honeymoon" decides to continue supporting the college. Later it is learned that by mistake Doug submitted the wrong story to the contest.

FOOTBALL

The Sayre High Redskins underwent a fairly successful gridiron season. With an experienced backfield and a green line, Coach Glen Haggerty's determined and high-spirited Red and Blue terminated the season with a record of three wins, five losses, and one tie.

To open the gridiron season, the squad was the guest of the strong Forty Fort team. Although Sayre fought its way for two

touchdowns, the hosts defeated Sayre 27 to 12.

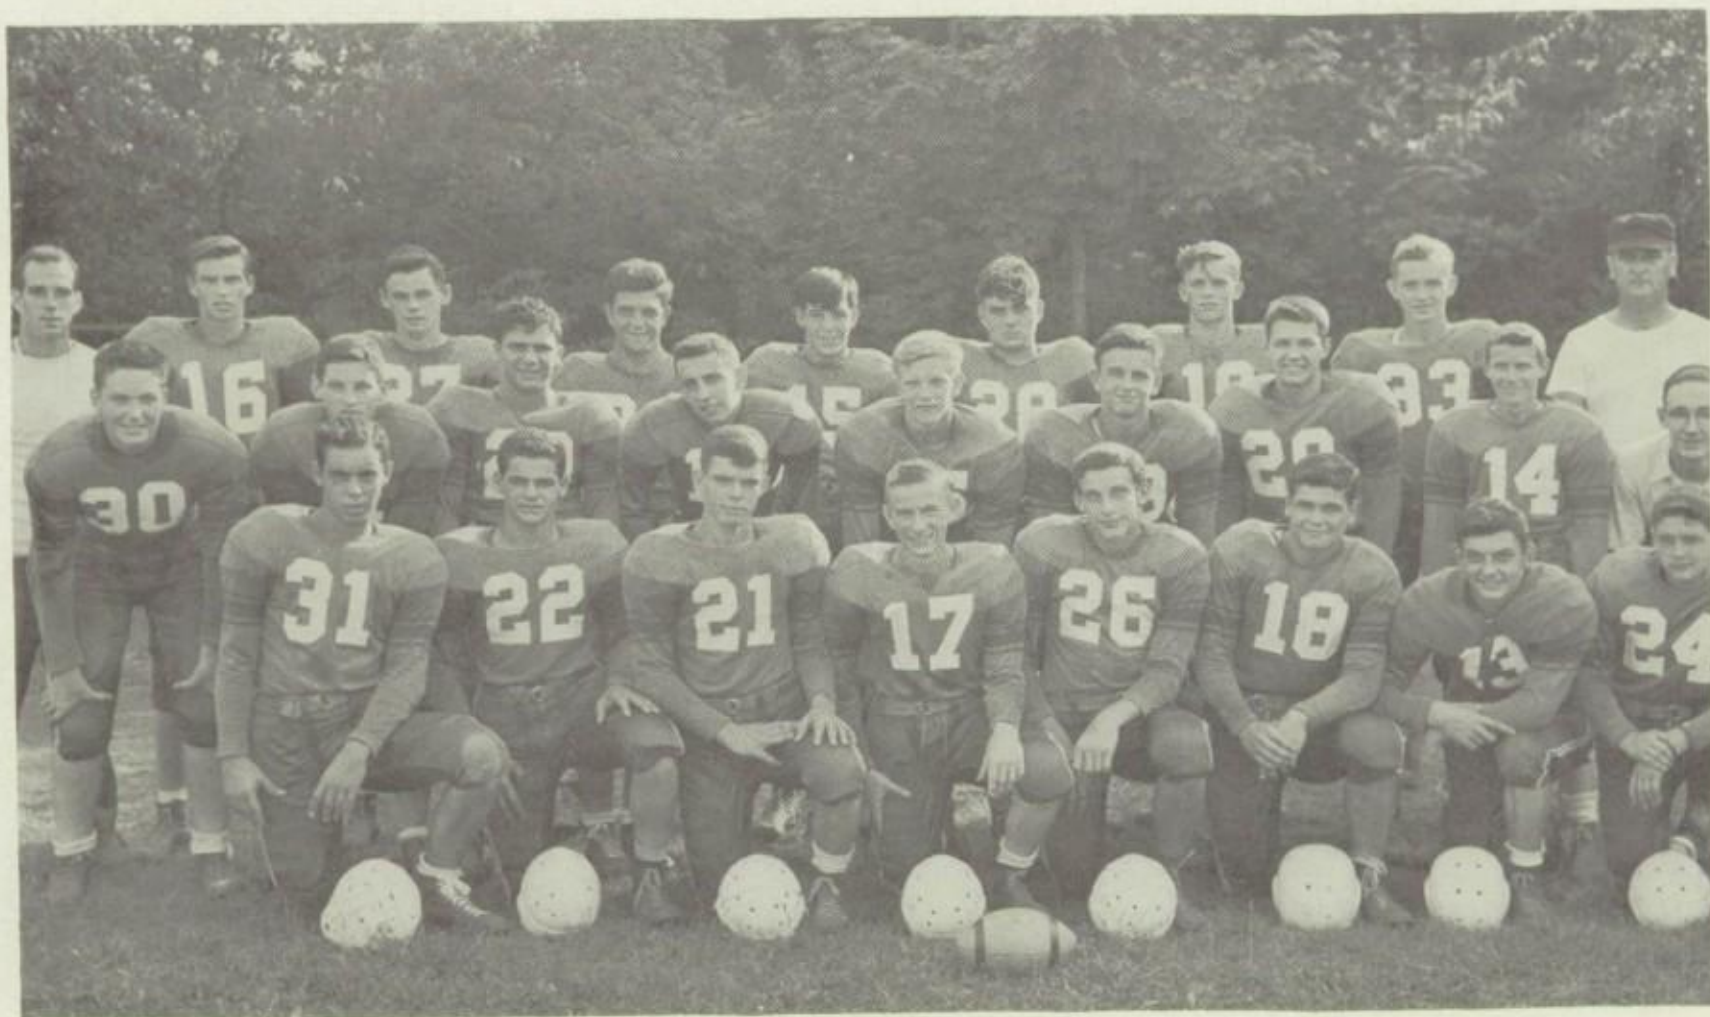

Only a small crowd turned out to cheer the Redskins on in their first home game and first victory. It was a 14 to 12 win over Dickson City. Frank Durizch tallied the touchdowns for Sayre with Joe McCabe in the quarterback slot calling signals.

October third brought a strong and experienced ball club from Jessup. The powerful Green handed Sayre their second loss of the season with a score of 19 to 13. Tom Page and Frank Durizch did most of the ball handling for Sayre.

The following week brought the sporting rivalry between the Redskins and the fighting Athens Bulldogs. Sayre was the guest of their southern rival for the most exciting game of the year. Both teams played an excellent game, hard and determined. The final score was a 13 to 13 deadlock. Tom Page and Frank Durizch each sparked the Redskins to a touchdown. Charlie Baker possibly saved the game for Sayre when he converted the one extra point.

Waverly invaded Sayre for another gridiron thriller on October 10. The Sayre Redskins took an early lead when Page made an 86 yard jaunt good for a touchdown. The Wolverines then tallied two touchdowns to put themselves out in front. On a spectacular catch of a pass from Joe McCabe, Tom Page raced for another touchdown, the play covering 62 yards. McCabe plunged over for the extra point. Waverly, however, scored twice more and converted once, making the final score a 25 to 13 victory for the Wolverines. Waverly was the 1952 Valley - Towanda champion.

Sayre renewed its rivalry with Milton High School after having played the last game in 1948 to a 6 to 6 tie. This year Sayre broke the game wide open for their second win, the game ending in a 25 - 7 victory. Again Tom Page led the Red and Blue in the scoring, his first being 65 yards on a pass from McCabe, and the second a 59 yard dash. Merrill, Durizch, and Wright drove the ball up to the one foot line where McCabe took it over. Durizch made the extra point and later came back to make Sayre's fourth T. D.

Our Young Spirited Players

The following week Sayre bowed to the powerful Black Knights from Towanda. In this game Sayre received their worst defeat of the season with a score of 39 to 6. Frank Durizch made the touch-down for Sayre on a 26 yard dash.

Corning Free Academy delivered another crushing defeat to the Redskins; however, the first half turned out to be exciting and

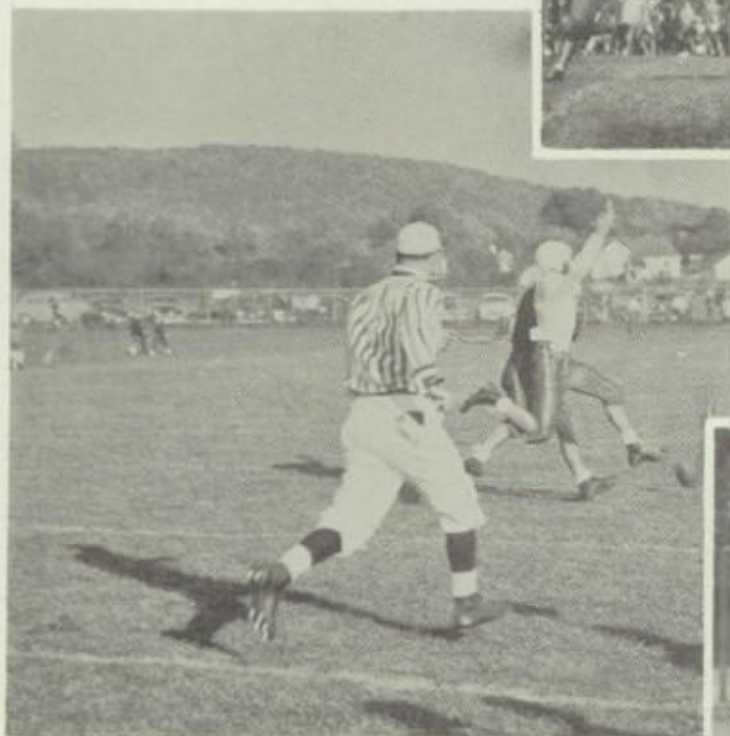

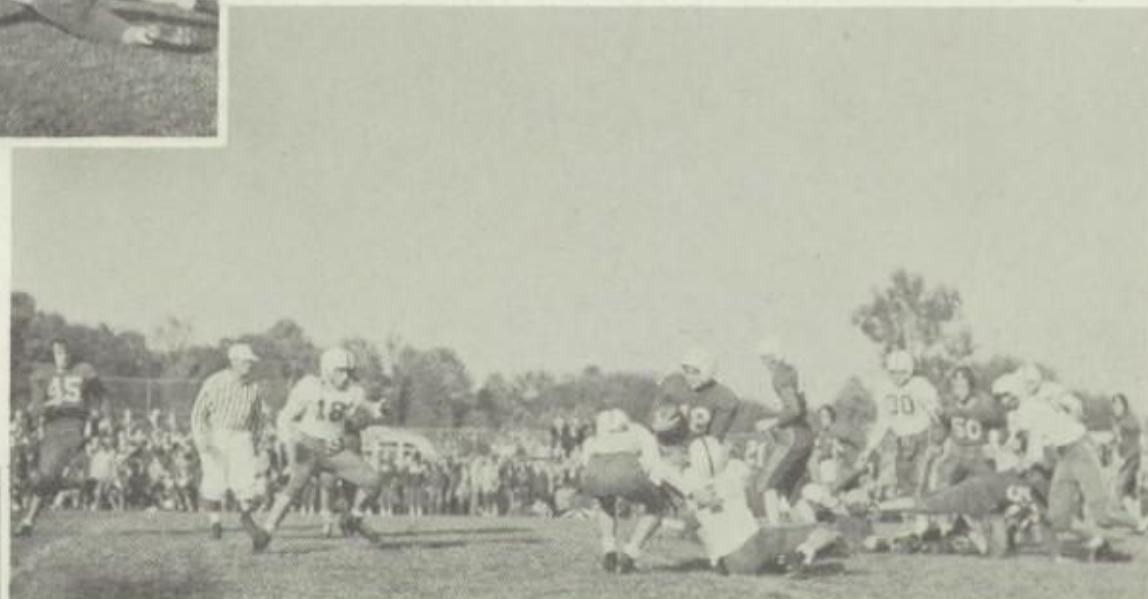

close. C.F.A. made one T.D. and Sayre missed three when they were in close scoring position. In the second half Corning broke the game wide open as they tallied three more T.D.s and a safety. Sayre made a score early in the fourth quarter when McCabe passed to Merrill in a spectacular play. The final score was 27 to 6.

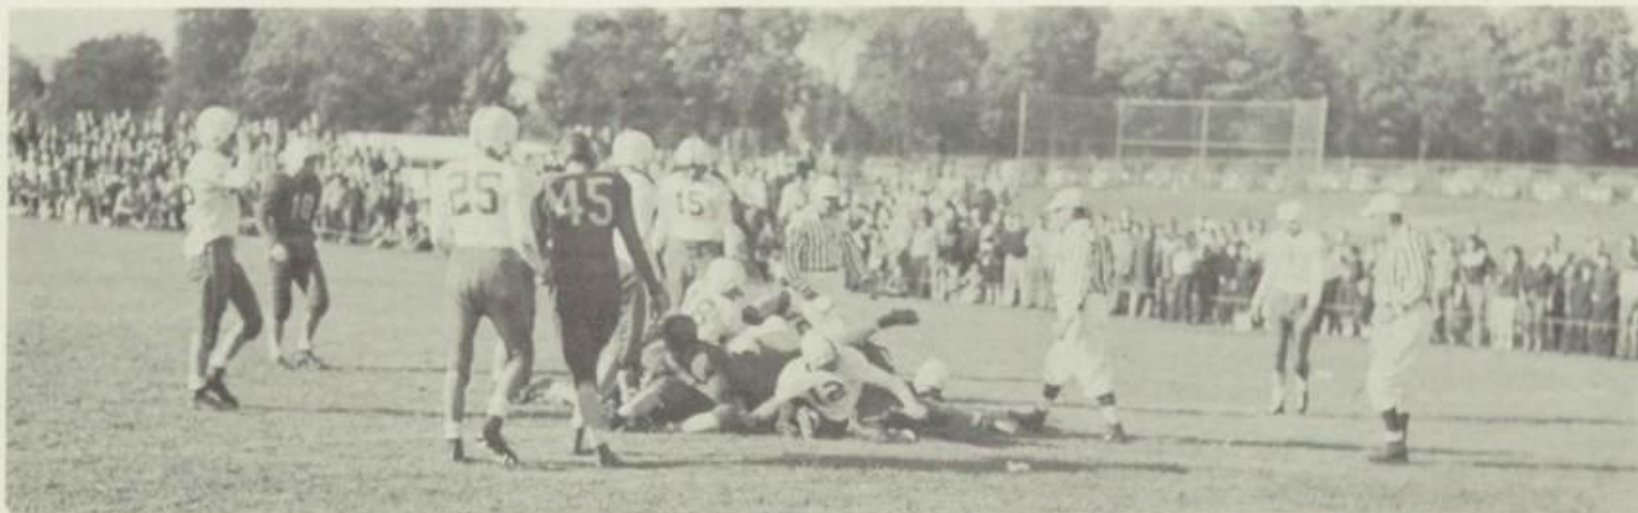

Exhibited a Will to Win

The last gridiron game and third victory of the season was with Troy. Both teams made their highest score of the season in this game, Sayre with 41 points and Troy with 20 points. High scoring honors went to Tom Page with three T.D.'s and four conversions. One was a 68 yard punt return, another on a 52 yard pass play, and the third one a nine-yard plunge. The other touchdowns were a 62 yard sprint by Lyle Merrill, Frank Durizch on a 11 yard run, and Anson Wright on a short pass from Joe McCabe.

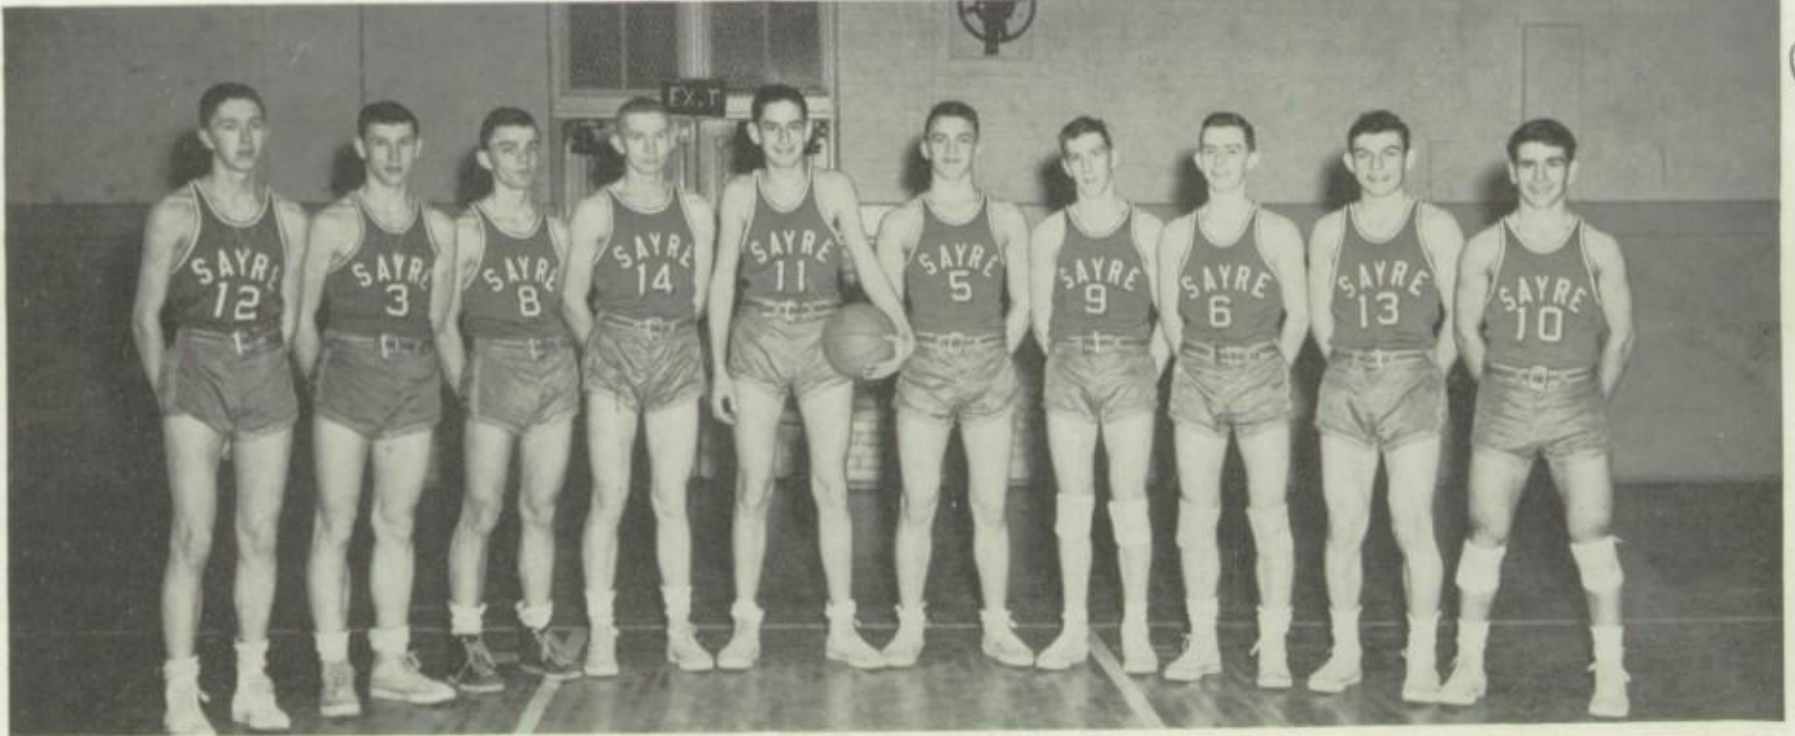

Appearing for their last high school performance in the Troy game were Co-captain Anson Wright, capable end and punter; Lyle Merrill, halfback who started rather late in the season but did a splendid job; and Co-captain Charlie Merrick, tackle who held this post every game. Also leaving are reserves John Mullaly, James Cole, and Harold Peterson.

The 1952-53 edition of the Sayre Redskins' basketball squad proved itself to be one of the fastest and most aggressive teams in the area. Although handicapped by a lack of height they produced a record to be proud of. The Redskins opened the season with a win over Newark Valley in a thrilling spectacle. Journeying next to Waverly the confident Redskins were set back by the sparkling Wolverines to the tune of 91 to 34. On Friday of the same week the boys dropped a close one to Wellsboro, on the latter's court, 63 to 60. The next contest found the Redskins hosting a fine Owego team, and

again the Redskins came up on the short end of the score. The never-say-die spirit showed up the following week when the Sayre boys took consecutive games from LeRaysville 62-51, and Canton 49-41. A return game with Towanda proved to be a thriller with Sayre being edged 55-53. The succeeding week found Sayre taking two Roosevelt Trail games from Canton and Wyalusing, 51-43 and 41-35 respectively. Sparked by Dick Brennan's 15 points, the Redskins, showing their best form of the season, satisfied a frenzied capacity crowd as they outplayed Athens in every department for a 42-36 triumph. The young squad composed mostly of juniors was led by the sharp-shooting of Bob Farrell and clever ball-handling of Tommy Page. Making his debut at Sayre, Coach Cal Welliver guided the Redskins through a most successful season.

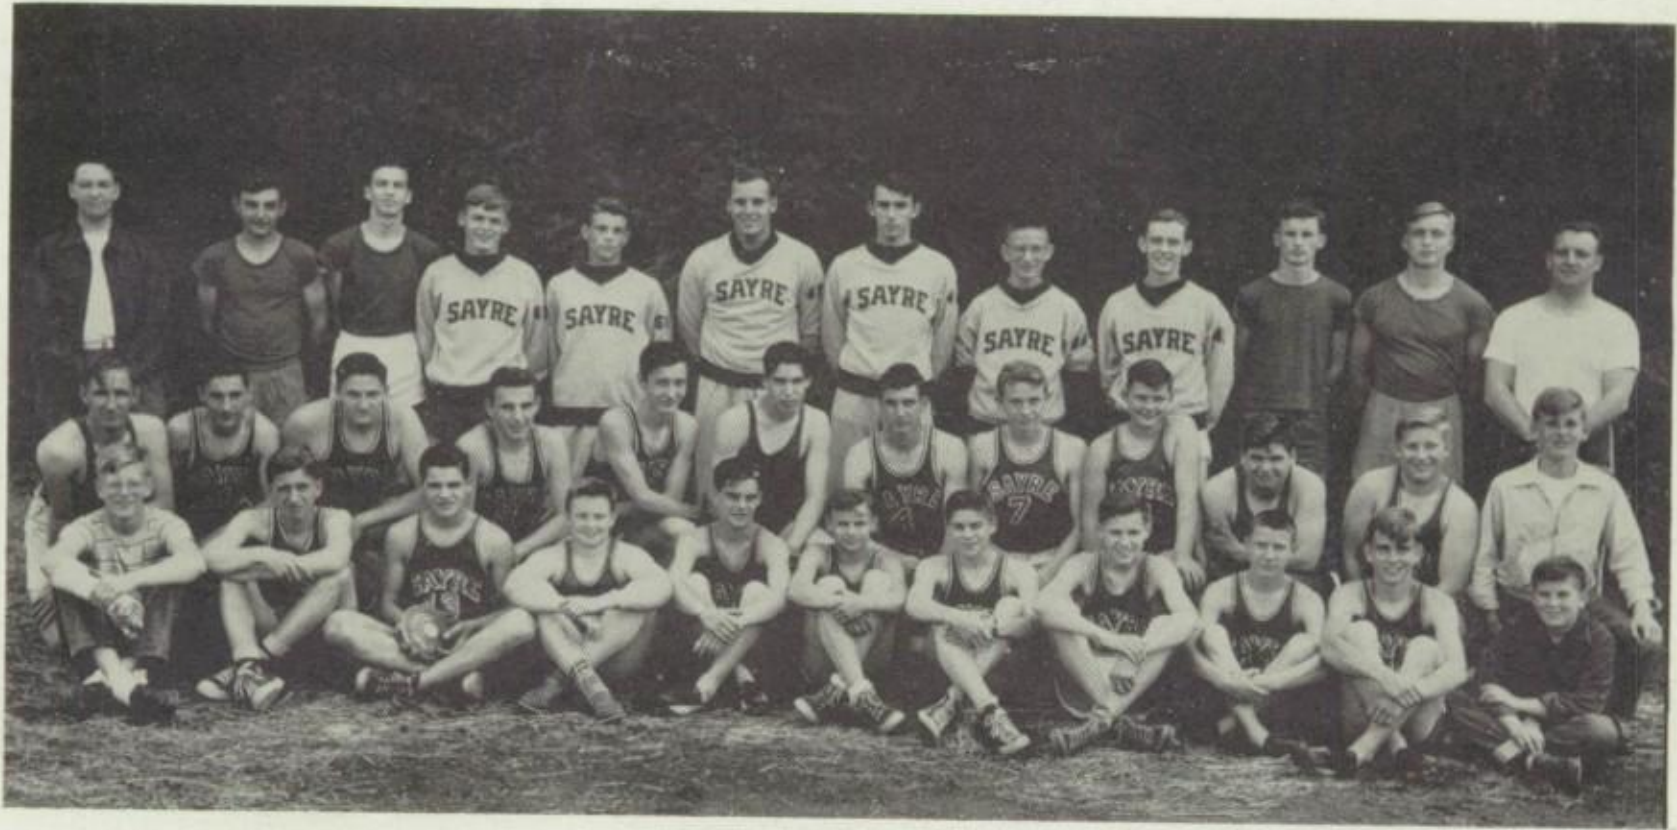

Made a Well-Coordinated Team

Displaying Much Effectiveness

A Revised Sport

TRACK

1952 saw the resumption of track and field events at Sayre High School after a lapse of ten years. Largely because of their speed on the cinder path and Russ Montz's proficiency in field events, the Redskins easily defeated Owego; however, Sayre's inexperience was evident as their traditional foes from Athens and Waverly overpowered them.

Coach Thoren had a couple of speedy boys - Russell Montz and John Mullaly. In the Athens meet, Russ won the high jump as well as the broad jump with ease, setting a new broad jump record of 19 feet, 6 inches. John passed all others to take the mile sprint in 5 minutes, one second. Placing first in several events, Dick Jones contributed greatly in the 1952 meets.

Against Owego, Dick Jones captured the 100 yard dash while the relay team of Regan, Davenport, Horniak, and Montz won its event. The half-mile run was taken by Ray Carroll with Davenport finishing first in the 220 yard dash.

BASEBALL

The Redskin's 1952 baseball team like the other teams of the 1951-52 seasons suffered from lack of experience with too many of the graduated lettermen's spots filled by rookies. Despite this severe handicap Coach Weiss put a team on the field that was a credit to the school both in their athletic ability and good sportsmanship.

The not very impressive season record of 8 losses and no victories can by no means tell the story of the spunky Redskin team. Among the losses were some hard ones which could have been pulled out of the fire by a base hit when there were two on -- or by that third strike going across the plate.

The season's schedule suffered in the hands of the

weather. Several games were postponed because of rain and wet grounds. These same conditions caused nights of lost practice which may have brought that extra zip needed to win the games.

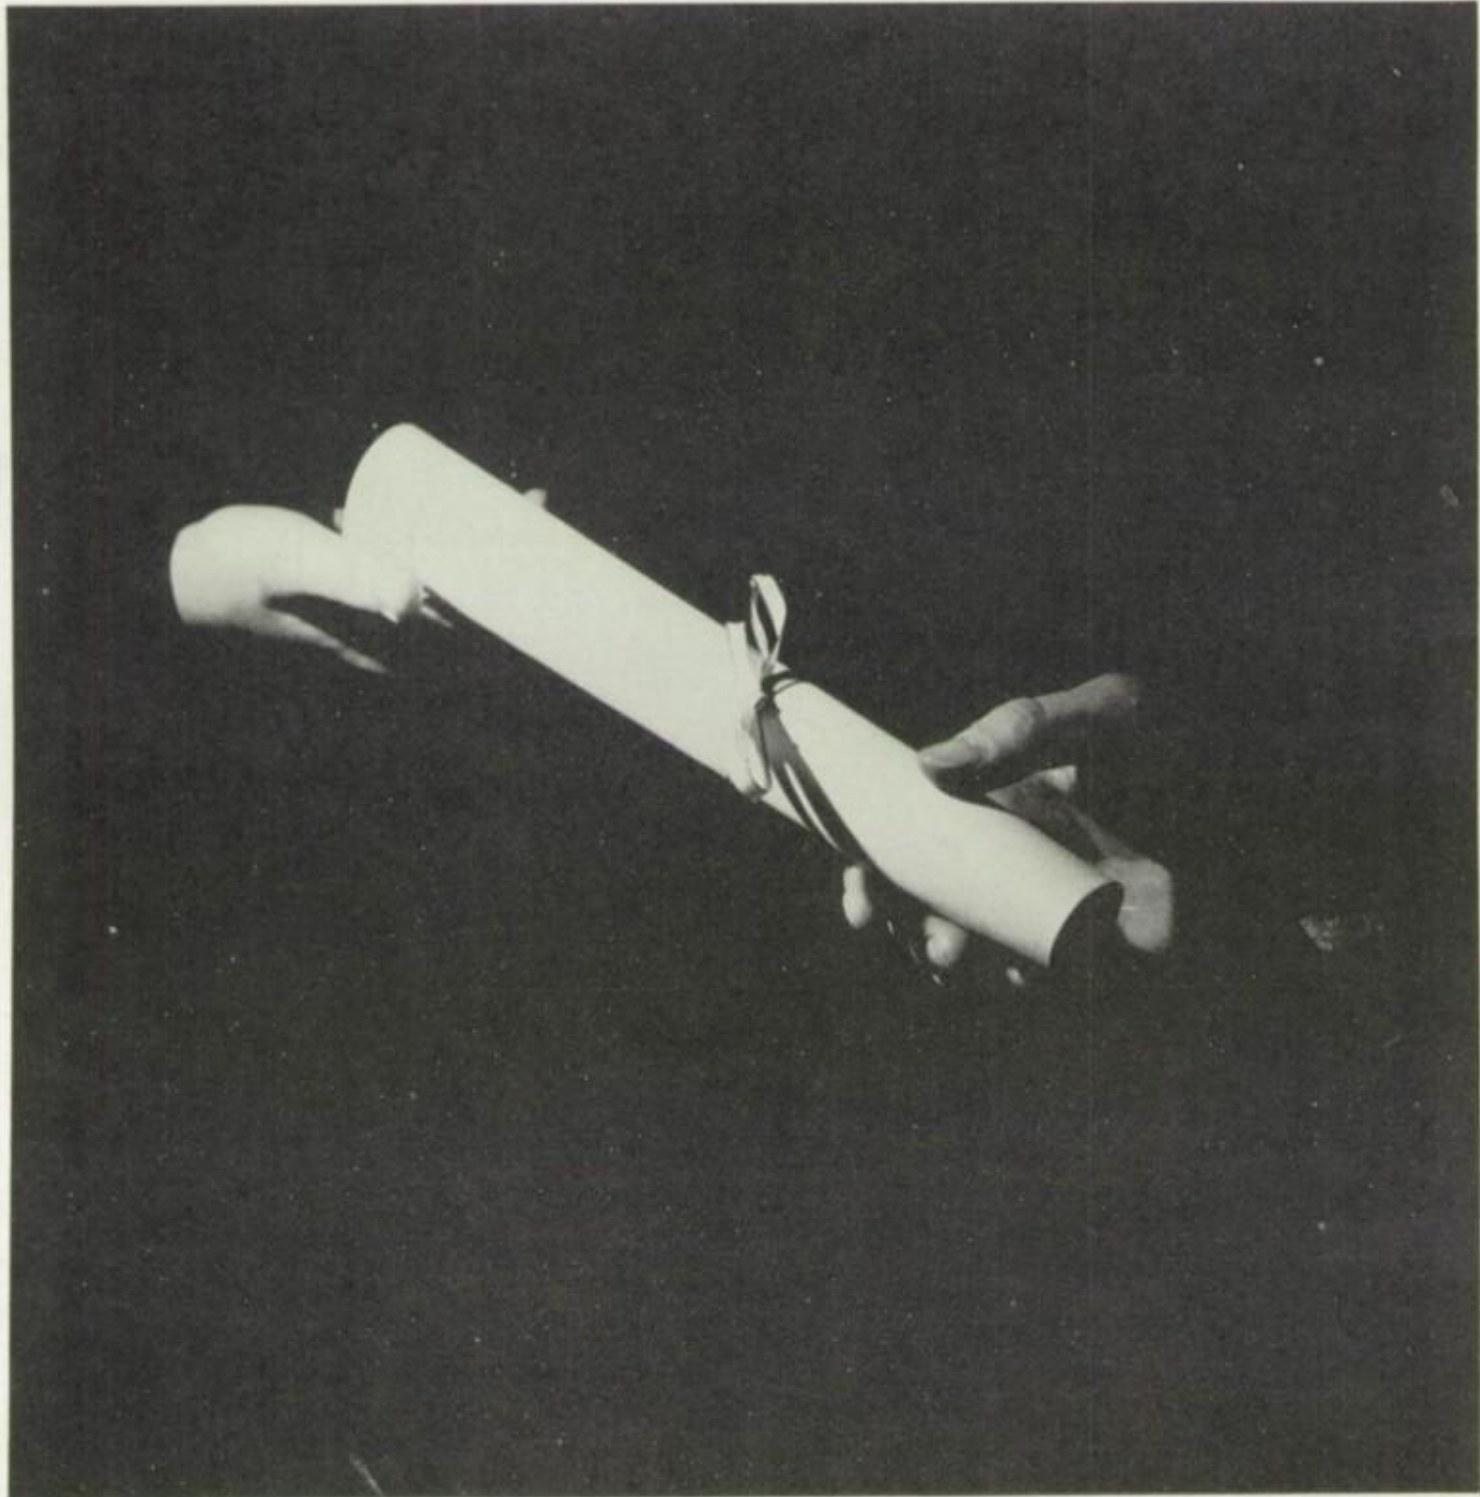

Throughout the Year

And Now Our Achievement

Yes, finally we have reached the end of our experiment. These recollections will always remain a symbol of our alma mater. Memories are precious things. This annual cannot bring back all that we have shared in our years at Sayre High, but perhaps in future years this 1953 SAYRENADE will add a glow to our fading memories.

"Education is not a mere means of life--education is life."
